Management Portal - Wonde Integration

1. Integration via Timetabling Solutions

1. Log in to <https://timetabling.education>

A screenshot of the Timetabling Solutions Management Portal login interface. At the top is the Timetabling SOLUTIONS logo. Below it is the title 'Management Portal'. There are two input fields: 'Your school email address' and 'Password'. Below these are two blue buttons: 'Sign In' and 'Change User'. At the bottom, there is a link 'Can't sign in? Recover your account'. A copyright notice at the very bottom reads: 'Copyright © Timetabling Solutions Pty. Ltd. 1984...2024. All rights reserved.'

2. Select **Management Portal**

If you do not have access to this application, please see the administrator at your school.

A screenshot of the Timetabling Solutions Management Portal dashboard. At the top is the Timetabling SOLUTIONS logo. Below it is a white box with a gear icon and the text 'Management Portal' and 'Tools for managing tasks based on your user role.' Below this box are two blue buttons: 'My User Profile' and 'Sign Out'.

- Once you are logged in you will need to select **[7A] SIF/LISS Integrations** from the task tree on the right.

- From SIF/LISS Integrations page select the **+ ADD** button.

- Select **LISS Provider**

6. Fill out the following fields as per the screen on the following page.
(Please email support@wonde.com if you are missing any of the details below)

- LISS Provider URL*: <https://inbound-au.wonde.com/import/liss>
- UserAgent: **WONDE**
- School: **Wonde will supply to you via email**
- UserName: **Wonde will supply to you via email**
- Password: **Wonde will supply to you via email**
- LISS Schema: **LISS Standard**
- Past days: **0**
- Future days: **0**
- Select the radio button: **Manual Sync Only**
- Select the integration calls you want to perform with the LISS partner:

Please tick the following calls:

- Once the details have been saved, you will need to select which Daily Organiser and linked Published Timetables should be sent via the LISS connection.

If you already have a published Daily Organiser dataset then this will happen automatically.

Note: If you do not have a published Daily Organiser dataset, or you are not sure, then you can contact Timetabling Solutions support for assistance with your set up.

Validate Synchronise View Log

9. You should then receive the following notification. Note: most syncs complete in around 1 minute, however, if a very large number of users click sync at the same time, it will create a queue that could take longer to complete. After syncing, click View Log, to view the time each call takes.

2. Verification via Wonde

A Wonde engineer will be required to test that your school's installation was successful.

Please let us know when this has been completed by filling in the following Google form:
